STUDENT E-MAIL POLICY

E-mail has been designated by Fuller Theological Seminary as a vehicle for official communication with everyone who has been accepted to be a student. Information Technology Services (ITS) will establish and assign a username@fuller.edu e-mail address to each person when they are accepted. This username@fuller.edu address will be the primary e-mail address for official seminary communications to individual students. Therefore, each student is expected and responsible to check his/her username@fuller.edu address on a regular basis. Each student’s use of any seminary email address and the seminary’s computing, Internet, and communication resources is also subject to the seminary’s Acceptable Use Policy, its User Responsibilities for Secure Computing Policy, and its Community Standards Statements. Therefore each student is expected and responsible to periodically review these seminary policies.

Questions related to seminary technology policies should be directed to the seminary’s chief information officer (CIO) at cio@fuller.edu.
